

Shaheed Zulfiqar Ali Bhutto Institute of Science and Technology (SZABIST ZABTech)

Empowering Marginalized Youth through Skills Development

OBJECTIVES

The project introduces blended learning as a mean for enhancing the quality of training delivery of 1,820 trainees (750 women and 1,070 men) for demand driven trades. It also strengthens the engagement of private sector organization so that the engagement of enterprises in training design, coordination and delivery is enhanced.

INTRODUCTION

The TVET Sector Support Programme promotes an active partnership between technical education and vocational training (TVET) institutes and private sector for imparting industry demand-driven training. The workplace-based training approach provides trained human resource to the employers according to their need, thus, increasing the chances of employments of graduates. The involved enterprises and business industry associations are engaged in selecting relevant qualifications, planning and delivering training, and conducting assessments within the national qualification framework of Pakistan.

The Programme provides technical support to training institutes and enterprises to link theoretical with practical training at the workplace. In this regard, both sides can agree on flexible approaches in training delivery, which meet the demands of the involved enterprises.
